Bursaries:

We will consider bursary applications. We have decided to abandon an official form and instead we will be asking for those wishing to apply for support to e-mail Jackie and Sian with information to support their application

instep@brockhill.kent.sch.uk

Jackie@instepdance.co.uk

So I would like some background to explain your need . We will then follow up with an offer of support which may be the beginning of a dialogue to make sure we are being fair. I have a limited budget to absorb these applications, but I have promised to listen to all existing Instep members and create some sort of manageable plan for anyone who needs it.

All enquiries asking for support should be with JM / SM **BEFORE September 7 th** for existing members .

We ask you all to apply again so we can make an assessment of your current situation and award support accordingly

Sponsorship

If you would like to help us keep the doors open to those children whose families need support then please contact Sian or Jackie to get sponsorship information.
